## High Blean Breakfast:

We look to source as much of the produce for our Dales Breakfast from local suppliers, in Bainbridge and Hawes.

Start with fruit juice and a choice of cereal or muesli and we are happy to make porridge at any time of the year.

Our full Yorkshire Dales Breakfasts consists of the following:

- Hammond's of Bainbridge premium pork sausage.
- Hammond's premium back bacon.
- Traditional black pudding.
- Local eggs: scrambled, fried or poached.
- Oven Baked Flat Mushroom.
- Grilled Tomato.
- Baked beans.

If you have a smaller appetite but would like a full Dales Breakfasts, just let us know and we will scale the breakfast down for you.

Alternatively you could have bacon, sausage or egg sandwiches, boiled eggs and buttered soldiers, eggs or beans on toast or similar.

Toast and preserves.

Tea or coffee.

We serve a cooked to order breakfast between 08:30 and 09:00. We are happy to serve your breakfast earlier by arrangement.

With 24 hours notice, we are usually able to serve you smoked salmon and scrambled eggs, or natural smoked haddock with poached eggs.
